

2023 ECXC SPONSOR FORM

Dear Potential Sponsor,

The 2023 East Coweta Cross Country team is growing stronger each year. We expect to have about 50 runners on the combined boys and girls team, and the talent in these youngsters is unlimited. To help foster this growth, we need your help to purchase a time clock, training gear, and travel equipment to weather the high and low temperatures on our early morning Saturday meets. Most importantly, your contribution will also help cover an athlete's dues.

In return for your generosity, we will publish your business logo in one, two, or three places: a 24" x 36" banner with all sponsors on it that we take with us to each meet, an individual sign hung on the fence surrounding the track, and on social media. Your company will be seen by hundreds of spectators who come to our meets and local football games. We will also give shout outs to our sponsors on our team website.

Please consider sponsoring one of our athletes and helping our program grow.

Sincerely,

Coach Rodriguez

Valerie Rodriguez
Head Coach

Katie Danekes
